5. Compensation Scheme

We are part of CaixaBank, S.A., which is based in Spain. If we were to fail financially depositors may, depending on their circumstances, be covered by the Spanish Deposit Guarantee Fund (*El Fondo de Garantía de Depósitos de Entidades de Crédito*). This means that if CaixaBank is unable to meet its financial obligations, our eligible German depositors may be entitled to claim up to a maximum limit from the Spanish Deposit Guarantee Fund. The monetary amount guaranteed is applied per depositor – this means that a customer with deposits with CaixaBank in both Germany, Spain and/or any other country in which CaixaBank operates a branch will be treated as a single claimant. Joint account holders are treated as several claimants, so that the compensation applies to each depositor separately. The maximum monetary amount guaranteed per depositor is €100,000 for deposits in Euros and, for deposits in other currencies, the equivalent of €100,000 in the relevant currency according to the exchange rate applicable on the earlier day (i) the relevant court issues a judicial resolution declaring the insolvency of the bank or (ii) the Banco de España issues a resolution stating the need for the Spanish Deposit Guarantee Fund to be applied. If the relevant date is a bank holiday, the date for the applicable exchange rate will be the previous business day.
